

## PETICIÓN 1

*Buenos días.*

*Necesito poder consultar rápidamente cómo están evolucionando las reservas.*

*Quiero ver Room Nights y Revenue por segmento, pero necesito poder cambiar el periodo de fechas cada vez que haga la consulta.*

*¿Podemos hacerlo con Reporting & Analytics?*

*Gracias,*

*Rafaela Gadea*

*Dirección General*

Vamos a ir de la pregunta al dato.

- ¿Qué Subject Area utilizarías y por qué? *Usamos la SA llamada Statistics-Reservation Summary*

☒  Statistics-Reservations Summary

Summarized booking data for both on the boo and past stays including rooms, revenue and occupancy details broken out by Market Code, Rate code and periods of time.

- ¿Qué información necesitas mostrar? *Property, Considered Date, Number of Rooms, Room Revenue, Food Revenue, Other Revenue, Total Revenue, Market Code, Room Type*

| Property Details                                                                                                                                                            | Details                                                                                                                                                                             | Marketing                                                                                                                                                                       | Room Details                                                                                                                                                                          | Revenue Details                                                                                                                                                                      |                                                                                                                                                                                      |                                                                                                                                                                                       |                                                                                                                                                                                       | Room Details                                                                                                                                                                      |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  Property  |  Considered Date  |  Market Code  |  Number of Rooms  |  Room Revenue  |  Food Revenue  |  Other Revenue  |  Total Revenue  |  Room Type  |

- ¿Qué filtros necesitas? *Filtramos por Property, Considered Date, Number of Rooms y Room Type*

 Filters

 Property is equal to / is in MDH

AND  Considered Date is prompted

AND  Number of Rooms is not equal to / is not in 0

AND  Room Type is not equal to / is not in NULL; PI; PM

- ¿Qué campos deberían ser Prompts? *Considered Date, para que el usuario pueda seleccionar un rango de fechas, y Property por si quieren generar el fichero para una o varias propiedades de la cadena.*
